Authentic 100% Pure Himalayan Pink Salt
Directly Sourced & Processed in Pakistan
Khewra Salt Mines Region | Pakistan

COMPANY AT A GLANCE

Company

D-SIGN SALES PVT LTD

Business

Pakistan-based manufacturer and exporter of Himalayan pink salt and related salt products.

Core Offering

Food-grade salt, decorative salt products, wellness products, animal salt licks, and salt for industrial and specialized

Markets

International importers, wholesale distributors, retail chains, food manufacturers, spa and wellness brands.

Positioning

Direct sourcing, controlled processing, documented quality control, traceability, flexible packaging, private-label support.

Product Categories

Industrial Salt; Food / Edible Salt; Pharmaceutical Salt; Animal Nutrition / Feed Salt; Decorative Salt Products; Bath / Spa / Wellness.

WHO WE ARE

Our Heritage

D-Sign Sales Pvt Ltd is a Pakistan-based manufacturer and exporter of 100% natural Himalayan pink salt, rooted in the Khewra Salt Mines region.

What We Do

We specialise in the extraction, processing, and export of naturally occurring Himalayan pink salt. Product range includes fine and coarse salt, decorative lamps, spa products, and animal licks.

How We Work

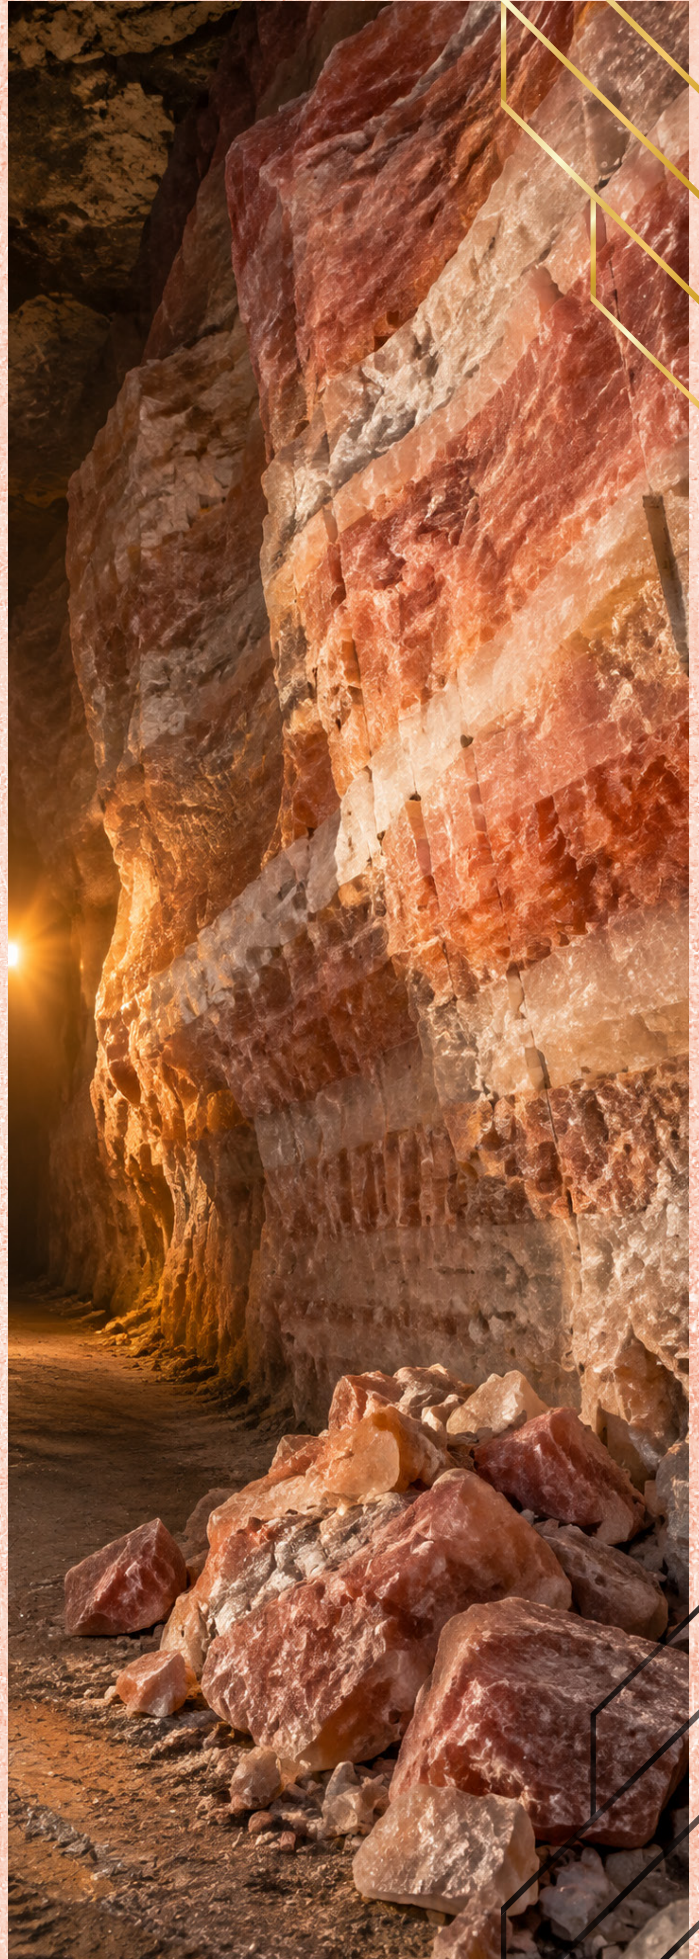

We maintain attention to purity, consistency, and traceability. Our team combines hands-on mining experience with quality-control practices.

Who We Serve

International importers, wholesale distributors, retail chains, and spa and wellness brands.

Our Approach

We control the supply chain from rock to finished product, supporting transparent sourcing, competitive pricing, and coordinated order handling.

MESSAGE FROM THE CEO

Our strategy of integrated growth is based on deliberate planning, detailed execution and well-communicated management, focused on the sustainable growth of D-Sign Sales Pvt Ltd.

I am thankful to each member of our workforce for their trust and efforts. Our continued growth depends on the purity of the salt and the way we conduct our business.

As a team leader, I will carry forward the tradition of teamwork, trust and innovation. Integrity and professional excellence shall always remain our hallmarks.

We are committed to serving our community with strength and resilience in the face of every challenge.

VISION, MISSION & VALUES

Our Mission

To supply the world with authentic, unrefined Himalayan pink salt that retains its natural mineral profile, free from additives, bleaching agents, and artificial processing.

What Sets Us Apart

Direct access to high-quality salt deposits in the Khewra region.

What Sets Us Apart

Control over extraction, washing, grading, and packaging.

What Sets Us Apart

Compliance with international food-safety and export requirements.

What Sets Us Apart

Custom packaging and private-label solutions for global partners.

Core Values

Purity. Quality. Traceability. Trust. Professional Excellence. Responsible Growth.

FROM MINE TO FINISHED PRODUCT

Production Philosophy

D-Sign Sales maintains control over the major stages of production for consistent quality and traceability.

1. Extraction

Rock salt mined directly from Khewra deposits using controlled, selective methods.

2. Sorting & Washing

Raw rock sorted and washed. No chemical bleaching or artificial processing.

3. Crushing & Grading

Crushed and screened into grain sizes from fine table salt to lamp-grade chunks.

4. Quality Testing

Batches tested for mineral content, moisture, heavy metals, and microbiological safety.

5. Packaging

Packed in food-safe materials in retail-ready or bulk formats.

6. Export Logistics

Palletised, documented, and shipped through Karachi Port or Port Qasim.

ONE ROCK, MULTIPLE APPLICATIONS

Food & Beverage Manufacturing

Fine and coarse pink salt for table use, food processing, seasoning, bakery, and snacks.

Foodservice & Hospitality

Cooking slabs, gourmet tiles, and serving blocks for restaurants and hotels.

Home Décor & Gifting

Salt lamps, candle holders, ornamental chunks, and decorative pieces.

Wellness & Spa

Bath salt, spa treatments, massage stones and rollers.

Cosmetics & Personal Care

Salt soap, salt balls, and body-care formulations.

Pharmaceutical & Specialized

Controlled-purity salt for specialized applications.

Agriculture & Animal Nutrition

Salt licks and feed-grade mineral blocks for livestock.

Textile & Dyeing

Industrial-grade salt for textile processing and dyeing.

Chemical & Soap Manufacturing

Bulk salt for chemical processing and soap manufacturing.

Oil & Gas

Salt for drilling-fluid formulations and brine production.

Water Treatment

Industrial-grade salt for ion-exchange water-softening systems.

Leather Tanning & Processing

Salt used in leather tanning and hide-processing operations.

FOOD & EDIBLE SALT PRODUCTS

Fine Pink Salt

Premium culinary and table salt. Grain 0.3-1 mm. 100% natural, unrefined, no additives. Food-grade.

Fine Applications

Table salt, cooking, seasoning blends, bakery products, snack manufacturing.

Coarse Pink Salt

Gourmet finishing and grinder salt. Grain 2-5 mm. Natural unrefined rock salt.

Coarse Applications

Salt grinders, finishing salt, gourmet cooking, meat curing, cheese boards.

Retail Sizes

Fine: 100g, 250g, 500g, 800g, 1kg + 25kg bulk. Coarse: 250g, 500g, 800g, 1kg + 25kg bulk.

INDUSTRIAL & TECHNICAL APPLICATIONS

Textile & Dyeing

Himalayan pink salt as an industrial input for textile and dyeing applications.

Chemical & Soap Manufacturing

Industrial salt for chemical and soap manufacturing requirements.

Leather Tanning & Processing

Salt for leather tanning and processing operations.

De-Icing & Road Maintenance

Rock and pink salt to lower freezing point for winter road maintenance.

Oil & Gas

Salt for drilling fluid formulations and brine production.

Water Treatment

Industrial-grade salt for ion-exchange water softening systems.

ANIMAL NUTRITION & FEED SALT

Animal Salt Licks

100% natural mineral lick for cattle, horses, goats, sheep, and wildlife. No additives. Plain or with rope/hole.

Available Sizes

1 kg, 2 kg, 5 kg loose licks. 10-20 kg compressed blocks.

Key Benefits

Natural sodium and trace minerals. Long-lasting, slow-wearing compressed form.

Typical Applications

Cattle, horses, sheep, goats, camels, domestic pets, wildlife feed stations.

Packaging

Shrink-wrapped blocks, poly bags, or palletised bulk cartons. Custom labelling available.

Commercial Support

Private label, sample orders, and bulk pricing available.

HIMALAYAN SALT LAMPS & LIGHTING

Product

Natural Himalayan Pink Salt Lamps. Carved or raw natural-chunk form. UL/CE cord, dimmer, wooden or metal base.

Natural Variation

Each piece is naturally unique in shape, tone, and texture.

Available Sizes

Small 2-3 kg · Medium 4-6 kg · Large 7-10 kg · XL 11 kg+ · Natural chunk up to 25 kg+.

Applications

Home décor, spa centres, hotels, offices, yoga studios, gift retail.

Packaging

Bubble-wrap + honeycomb carton, master export cartons, custom gift boxes.

Commercial Support

Private label, sample orders, and bulk pricing available.

DECORATIVE & ARCHITECTURAL SALT PRODUCTS

Decorative Range

Hand-shaped bowls, tealight and candle holders, ornamental chunks, and premium decorative forms.

Architectural & Landmark Replicas

Hand-carved and CNC-finished pink salt replicas: Burj Khalifa towers, Egyptian pyramids, camel figures, Eiffel Tower models, and other architectural and animal-shaped designs.

Product Direction

Home décor, gifting, hospitality, wellness retail, and premium presentation.

Customization

Custom shapes, sizes, polish finish, and packaging for private-label and corporate gifts.

Applications

Home décor, hotels, wellness retail, corporate gift sets, tourist and souvenir retail.

Packaging

Protective foam-lined boxes, gift-ready sets, and bulk cartons for export.

WELLNESS, MASSAGE & SPA PRODUCTS

Bath & Spa Salt

100% pure Himalayan pink salt, no fragrances or additives.
Fine and coarse. 200g, 500g, 800g, 1kg + 25kg bulk.

Applications

Bath soaks, spa treatments, foot baths, body scrubs, private-label wellness, hotel amenities.

Massage Products

Polished massage stones, salt-based rollers, and hand-held wellness accessories.

Decorative Wellness

Salt balls, salt soap, salt plates, and related wellness accessories.

Customization

Essential-oil blending on request. Custom shapes, finish, and packaging.

Commercial Support

Private label, sample orders, and bulk pricing available.

CULINARY BLOCKS, SLABS & GOURMET TILES

Cooking Slabs & Blocks

Thick durable slabs from pure pink salt. Oven, grill, and stove-top use with proper care.

Available Sizes

Small 20x10 cm, Medium 30x20 cm, Large 40x25 cm. Custom sizes on request.

Applications

Grilling, searing, oven roasting, cold serving platters, restaurant presentation.

Edible Salt Blocks & Gourmet Tiles

Food-grade blocks for grating, shaving, or direct-contact serving.

Block Sizes

Small 0.5-1 kg · Medium 1-2 kg · Large 2-4 kg.

Packaging

Individual protective packaging, gift-ready boxes, bulk cartons.

QUALITY, TRACEABILITY & TESTING

Quality Control

Every batch passes a documented quality-control process before packaging and export.

Process Control

Raw rock inspected, washed, crushed, graded, and screened to required particle size.

Laboratory Testing

Tested for mineral content, moisture, heavy metals, and microbiological

Traceability

Complete batch traceability from mine to finished product.

Documentation

Certificates of analysis and product specifications available on request.

Buyer Confidence

Quality system supports consistency, traceability, and export readiness.

PACKAGING, PRIVATE LABEL & CUSTOM PROGRAMMES

Retail Packaging

Stand-up pouches 100g-1kg (incl. 800g). Glass/PET jars, grinder bottles, gift boxes, multi-packs.

Bulk & Wholesale

25 kg PP bags, 50 kg bags, FIBC 500-1000 kg, palletised loads with stretch wrap.

Private Label

Custom bag design, brand printing, barcode, multi-language labelling.

Food Salt Packaging

Pouches, jars, shakers, grinders, poly-lined bulk bags.

Decorative Packaging

Foam-lined boxes, gift sets, lamp protection, master cartons.

800 g Requirement

800 g included in retail pouch range and kept visible wherever pouch sizes appear.

CERTIFICATIONS & COMPLIANCE

ISO 22000

Food Safety Management covering processing, packaging, and export.

HACCP

Hazard Analysis and Critical Control Points for food-safety handling.

HALAL

Halal certification for food-grade salt products.

FDA

U.S. FDA facility registration for food-grade export shipments.

GMP

Good Manufacturing Practice compliance across the production line.

COA

Certificate of Analysis issued for every batch and shipment.

Shipment Documentation

COA, Certificate of Origin, packing list, commercial invoice, destination documents.

Verification Note

Use actual certificate scans or verified details supplied by the company.
